

Ways to link PAN with Aadhaar:

- Visit the homepage of the new Income Tax portal: www.incometax.gov.in and click on 'Link Aadhaar' on the e-filing website. A new form will appear where the customer shall have to enter details - PAN, Aadhaar number, Name as per Aadhaar and mobile number. If the Aadhaar card has only the year of birth, then the customer shall have to tick the option: 'I have only year of birth in Aadhaar card'. Further, the customer shall have to agree to “validate my Aadhaar details” and Click on 'Link Aadhaar'. Once submitted successfully, a message will be displayed on the screen showing “Your PAN is successfully linked to Aadhaar”.
- **SMS**
Send UIDPAN → Space → 12-digit Aadhaar → Space → 10-digit PAN to 567678 or 56161
For example: UIDPAN 123456789123 AAAPA1234P
- **PAN Service Centre:**
Visit the designated service centre of PAN service providers like NSDL or UTIITSL.
